One&Only Le Saint Géran - Here&Now

One&Only Resorts and Private Homes

Watch on

An icon of the Indian Ocean, One&Only Le Saint Géran Resort and Private Homes invite island-wide adventures and coastal relaxation. Set on a private peninsula amid 150 acres of tropical gardens, the resort promises a true sense of seclusion, just an hour's drive from the airport. With a rich history and deep connection to the island, One&Only Le Saint Géran distills the magic of Mauritius for its guests. Bespoke experiences bring the island's natural, cultural, and culinary

wonders to life, from hiking to breathtaking waterfalls and mastering the art of Sega dancing to shopping for ingredients at vibrant local food markets.

Fresh produce takes centre stage across the resort's dining experiences. Begin the day at La Terrasse with tropical fruits, freshly pressed juices, pastries, and live cooking stations. Lunch on authentic Mauritian cuisine at Le Badamier, or enjoy Italian Riviera–inspired flavours at RIVA, the beachfront restaurant and pool club at One&Only Le Saint Géran Private Homes. Evenings invite guests to savour premium cuts at PRIME contemporary grill, Japanese cuisine at the overwater TAPASAKE, or international favourites at La Terrasse.

The home of luxury in the region, the resort features Mauritius' only Guerlain Spa, where tailored treatments blend French beauty expertise with island-inspired rituals. NEO Boutiques showcase coveted fashion labels, including the only

Brunello Cucinelli store in the Indian Ocean. From the genuine greeting to the heartfelt farewell, our team of Legacy Makers infuse every stay with warm Mauritian hospitality, creating a true home from home—whether it's a first visit or a 21st return.
